## WEEKLY APPLICATION

---

**TAKEAWAY:** Worship is our response to God for who He is and what He has done.

**HEAD CHANGE:** Worship helps us discover more about who we are and who God is.

**HEART CHANGE:** We are hardwired to worship God.

**LIFE CHANGE:** Our worship can invite God into the lives of those around us.

## OVERVIEW

---

In this powerful message, we explore the profound gift of worship and its transformative power in our lives. We're reminded that God is actively seeking true worshipers who will worship Him in spirit and truth. The scripture from John 4:23 emphasizes this pursuit, challenging us to consider how we can become the kind of worshipers God desires. As we delve into the essence of worship, we discover that it's not just about tradition or preference, but about our response to God's greatness. We learn that worship isn't merely a Sunday activity, but a lifestyle that shapes our identity and deepens our relationship with God. Through worship, we not only discover more about who God is, but also uncover our true selves as beings created for His glory.

*"But the hour is coming, and is now here, when the true worshipers will worship the Father in spirit and truth, for the Father is seeking such people." John 4:23*

## DISCUSSION QUESTIONS

2. How does the idea of being "hardwired to worship" change your perspective on worship?
3. The sermon discusses how we often run from or ignore aspects of God that we don't understand. Have you experienced this? How can we overcome this tendency?
4. How does our worship impact those around us who may not know God?

## CLOSE IN PRAYER

---

Lord, thank you for creating us to worship You. Help us to discover more of who You are and who we are through our worship. May our lives be a constant act of worship, inviting others to experience Your presence. Give us the courage to worship You authentically and wholeheartedly. In Jesus' name, Amen.
